Subject: Brandon Lewis/Strategic Claims Consultants Reference

I have been acquainted with Brandon Lewis for several years and highly recommend him to anyone who has an insurance issue or claim. His expertise, quality of character, urgency, and commitment to his clients are exceptional.

When my firm needed guidance in regards to acquiring the right insurance coverage, Brandon helped us navigate through the different policy options. Being a highly-regarded public adjuster, I felt his insight and advice would help us set up the proper insurance foundation. And I wasn't mistaken. Although neither his focus nor his job is policy selection, he took the time, to help us out and, because of his work, our firm is properly protected and secure going forward.

If his effort for my firm is any indication of his of his effort on the behalf of other policy holders, then it goes without saying that anyone he represents will benefit tremendously from his services. And for our firm, it's good to know that when we have an insurance claim, Brandon will make sure we are taken care of.
