To Whom It May Concern,

I have the pleasure of recommending Strategic Claims Consultants, one of the industry leaders in catastrophic claims. They have worked with our communities nationwide with offices throughout the Southeast. The team approach and depth of knowledge has been refreshing and invaluable to our clients who have suffered large losses. They continue to provide support and knowledge to our clients in the wake of Hurricane Ian in Southwest Florida and have positioned their clients ahead of the rest of the community to put their properties back together quickly and correctly.

Jordan Mulbarger is the National Director of Client Partnerships for Strategic Claim Consultants. Aside from his professionalism and knowledge in this space, Jordan is also a long time personal friend for over 12 years, and I am happy to attest to his personal character.

Please do not hesitate to reach out to me directly if I can provide additional information or references for Jordan or Strategic Claims Consultants. Thank you.

Sincerely,

**TRAVIS BRANT, CMCA, LCAM**
