We have been working with Strategic Claim Consultants on various commercial claims as a result of Hurricane Sally and have also worked with other public adjuster firms. I'd like to recommend Strategic Claim Consultants to you for the following reasons:

Brandon Lewis, owner, is 100% accessible. There's no problem too small and he solves it using his far-reaching connections and extensive knowledge base. Michael Freed, partner, and Steven Rosado, public adjuster, were in my office Saturday morning to answer questions. The information provided was invaluable and has given me knowledge to deal more effectively with our property owners. The owners and staff have residences here on Perdido Key from 6 months to 1.5 years. This hands-on firm uses a team approach and maintains a large staff to handle details that come with the territory. As we go through this reconstruction process it is becoming increasingly apparent to me that insurance firms are not taking inflated building product costs due to diminished supply. Representation by a public adjuster is essential.

Strategic Claim Consultants sets themselves apart from others with unlimited resources, strong work ethic (they answer their phones!) and exemplary customer service. Feel free to contact me if you'd like to discuss further.
