

AFTER THE STORM
Checklist

TORNADO AFTERMATH

1. If you have damage, the first thing you should do is retain a qualified expert public adjuster to help determine what your immediate next steps are in filing your claim and what mitigation steps need to be taken.
2. Have your licensed public adjuster contact your insurance company if you haven't already done so.
3. There is plenty of time to settle your insurance claim – DO NOT PANIC OR RUSH.
4. Beware of an Assignment of Benefits provision in any contract presented to you – DO NOT SIGN!
5. Beware of contractors asking for money up front - You should not have to pay cash for services that will be billed to the insurance company!
6. Obtain a certified copy, both electronic and hard copy, of your insurance policy if you have not already done so.
7. Take photos and video of the damages.
8. Mitigate any damages with temporary repairs as quickly as possible.
9. Wait to dispose of damage.
10. Contact Strategic Claim Consultants today to help you determine your next steps. Call **844.701.9995** | Email **info@strategicclaimconsultants.com**
